

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by **Division of Public Works, State of Idaho at 611 Wilson Ave. #1, Pocatello, ID 83201 until 11 a.m., local time, on February 1, 2022** for DPW Project No. 19-222 Repair Utility Tunnel, Replace Steam & Condensate Lines Campus Wide.

A description of the work of this project can be summarized to include:

Replacement of 195 linear feet of crawl tunnel. This includes 85 linear feet of tunnel crossing Cesar Chavez Ave at the intersection of MLK Way and the replacement of 110 additional linear feet of crawl tunnel headed west along the north side of the Administration Buildings' parking lot on the campus of Idaho State University, Pocatello, ID. Within the new tunnel system the project will include: the replacement of the existing steam and condensate lines, update the ventilation system, add a sump pump, and make the connections of the new walking tunnel sections to the existing crawl and walking tunnel systems.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
